## I LOVE THE SEASIDE

### WHY TAKE THIS GUIDE ON YOUR JOURNEY?

Surfing and travelling: I Love the Seaside offers the best of both worlds, and a little more. For this guide we explored surf meccas in France, Spain and Portugal, extensively. From the well-known beaches of the Algarve and the Basque country to lesser-known, friendly surf areas like Galicia, Andalusia and Brittany.

Of course, you can check where and when to surf, for all levels, but we aim for much more than that, by giving you a good sense of the backdrop, the scenery and the atmosphere. Our guide points out the best places to hang out, to do some funky shopping, or other activities; like horse riding, yoga, hiking, biking, visiting a spa or getting a good massage. We guide you to the nicest seaside accommodations and coolest places to eat or enjoy a sunset beer, all to suit your budget.

#### AND THERE'S MORE!

Read our little snippets of info and some short stories about interesting local people.

Learn yoga tips and tricks to help improve your surfing, and overall health, fitness and well-being.

Get knowledgeable about local foods, and some delicious local recipes.

The I Love The Seaside Surf and Travel guide aims to inform, entertain and give a good read, all in one.
